## ABOUT US

Under the brand name Trilok Drain System TDS , we specialize in a comprehensive range of drainage solutions including Shower Channels, Linear Drains, Cockroach Traps, Floor Gratings, HDPE Drain Covers, Garden Drains, Parking Drains, Popup Drains, Cleanout Drains, Manhole Covers, Commercial Kitchen Drains, and more.

TDS manufactures a complete line of commercial, industrial, residential, and custom floor drain covers using premium-grade AISI 304 18 8 stainless steel.

This high-quality, corrosion-resistant material is widely trusted by industries requiring durable and long-lasting drainage solutions, making it ideal for all kinds of living and working spaces.

At TDS, we bring over 28 years of expertise in the manufacturing and distribution of top-quality building and plumbing products, with a specialization in floor drains, serving both retail and trade customers.

Whether you're renovating a small bathroom and need shower or floor grates, or you're a professional installer of drainage systems we have the solution.

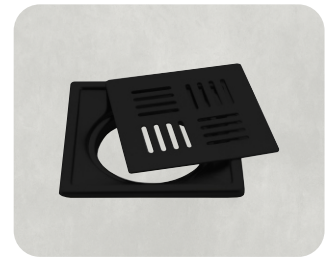

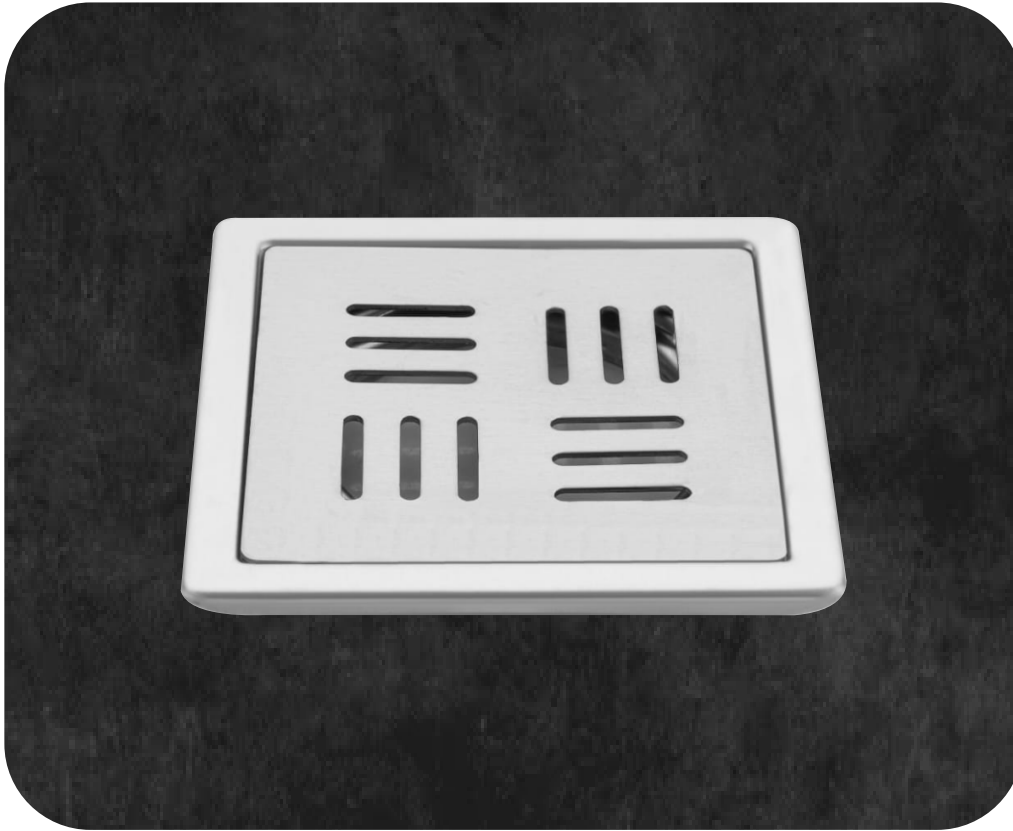

Whether you're a homeowner, architect, contractor, or industrial client, Trilok Drain System TDS is backed by a skilled and experienced customer service team dedicated to helping you find the right drainage, plumbing, floor heating, or cove Neonflex lighting solution.

Our team has proudly worked alongside designers and builders involved in some of Perth's most exclusive residential, commercial, and civil projects delivering reliability, style, and innovation in every product we offer.
